

CODE NAME: MISS LEED

True Identity:	Leda
Height:	5' 10"
Weight:	Emaciated
Hair:	Purple
Eyes:	Green

Mission: To mislead parents about toothcare for kids

Driving Force: The jealousy she feels towards Captain Rex

Powers: Mistress of disguise and deception, able to hypnotize victims into a coma-like state

Frustration: That the Wisdom Tooth favors Captain Rex over her

Background: The venomous archduchess of misinformation, Miss Leed tricks parents into believing they don't need to protect their children from the miscreant Cavity Cretins. Occasionally she feels a twinge of guilt for the havoc she wreaks. But these episodes only force her into a deeper downward spiral of mischief and destruction.
